

SIX INCHES FROM THE CURB PLEASE!!

Loose Leaf Pickup Scheduled for October 10 - November 23, 2016

The City of Greenville wants to remind you of the policy for leaf collection for this fall. Please follow the leaf removal process listed below:

- Loose leaf pick will begin October 10, 2016 and end November 23, 2016.
- Please coordinate raking your leaves with the collection schedule illustrated on the map shown at right.
- Please rake the leaves into the gutter and separate them from the gutter approximately six inches. This will allow the leaf machine to gather the leaves in a thorough and efficient manner.
- The property owner must remove any and all leaves raked into the gutter after November 23, 2016 or the City will remove them and charge a \$50.00 removal fee.
- Leaves not collected after November 23, 2016 can be bagged in biodegradable bags and stored at your home for the winter and dropped off the following spring at the City's drop site.
- Leaves are only permitted in the street during the FALL leaf collection program. All other times during the year, leaves are to be bagged in biodegradable bags and taken to the City's drop site.
- **Please do not place any items other than leaves in the gutter during the fall leaf collection program. Any items other than leaves will damage equipment.**

*Please note that the City's drop site will be open Monday, Thursday, and Saturday from 10am to 2pm (excluding holidays) until Nov. 14th, 2016.

Thank You!

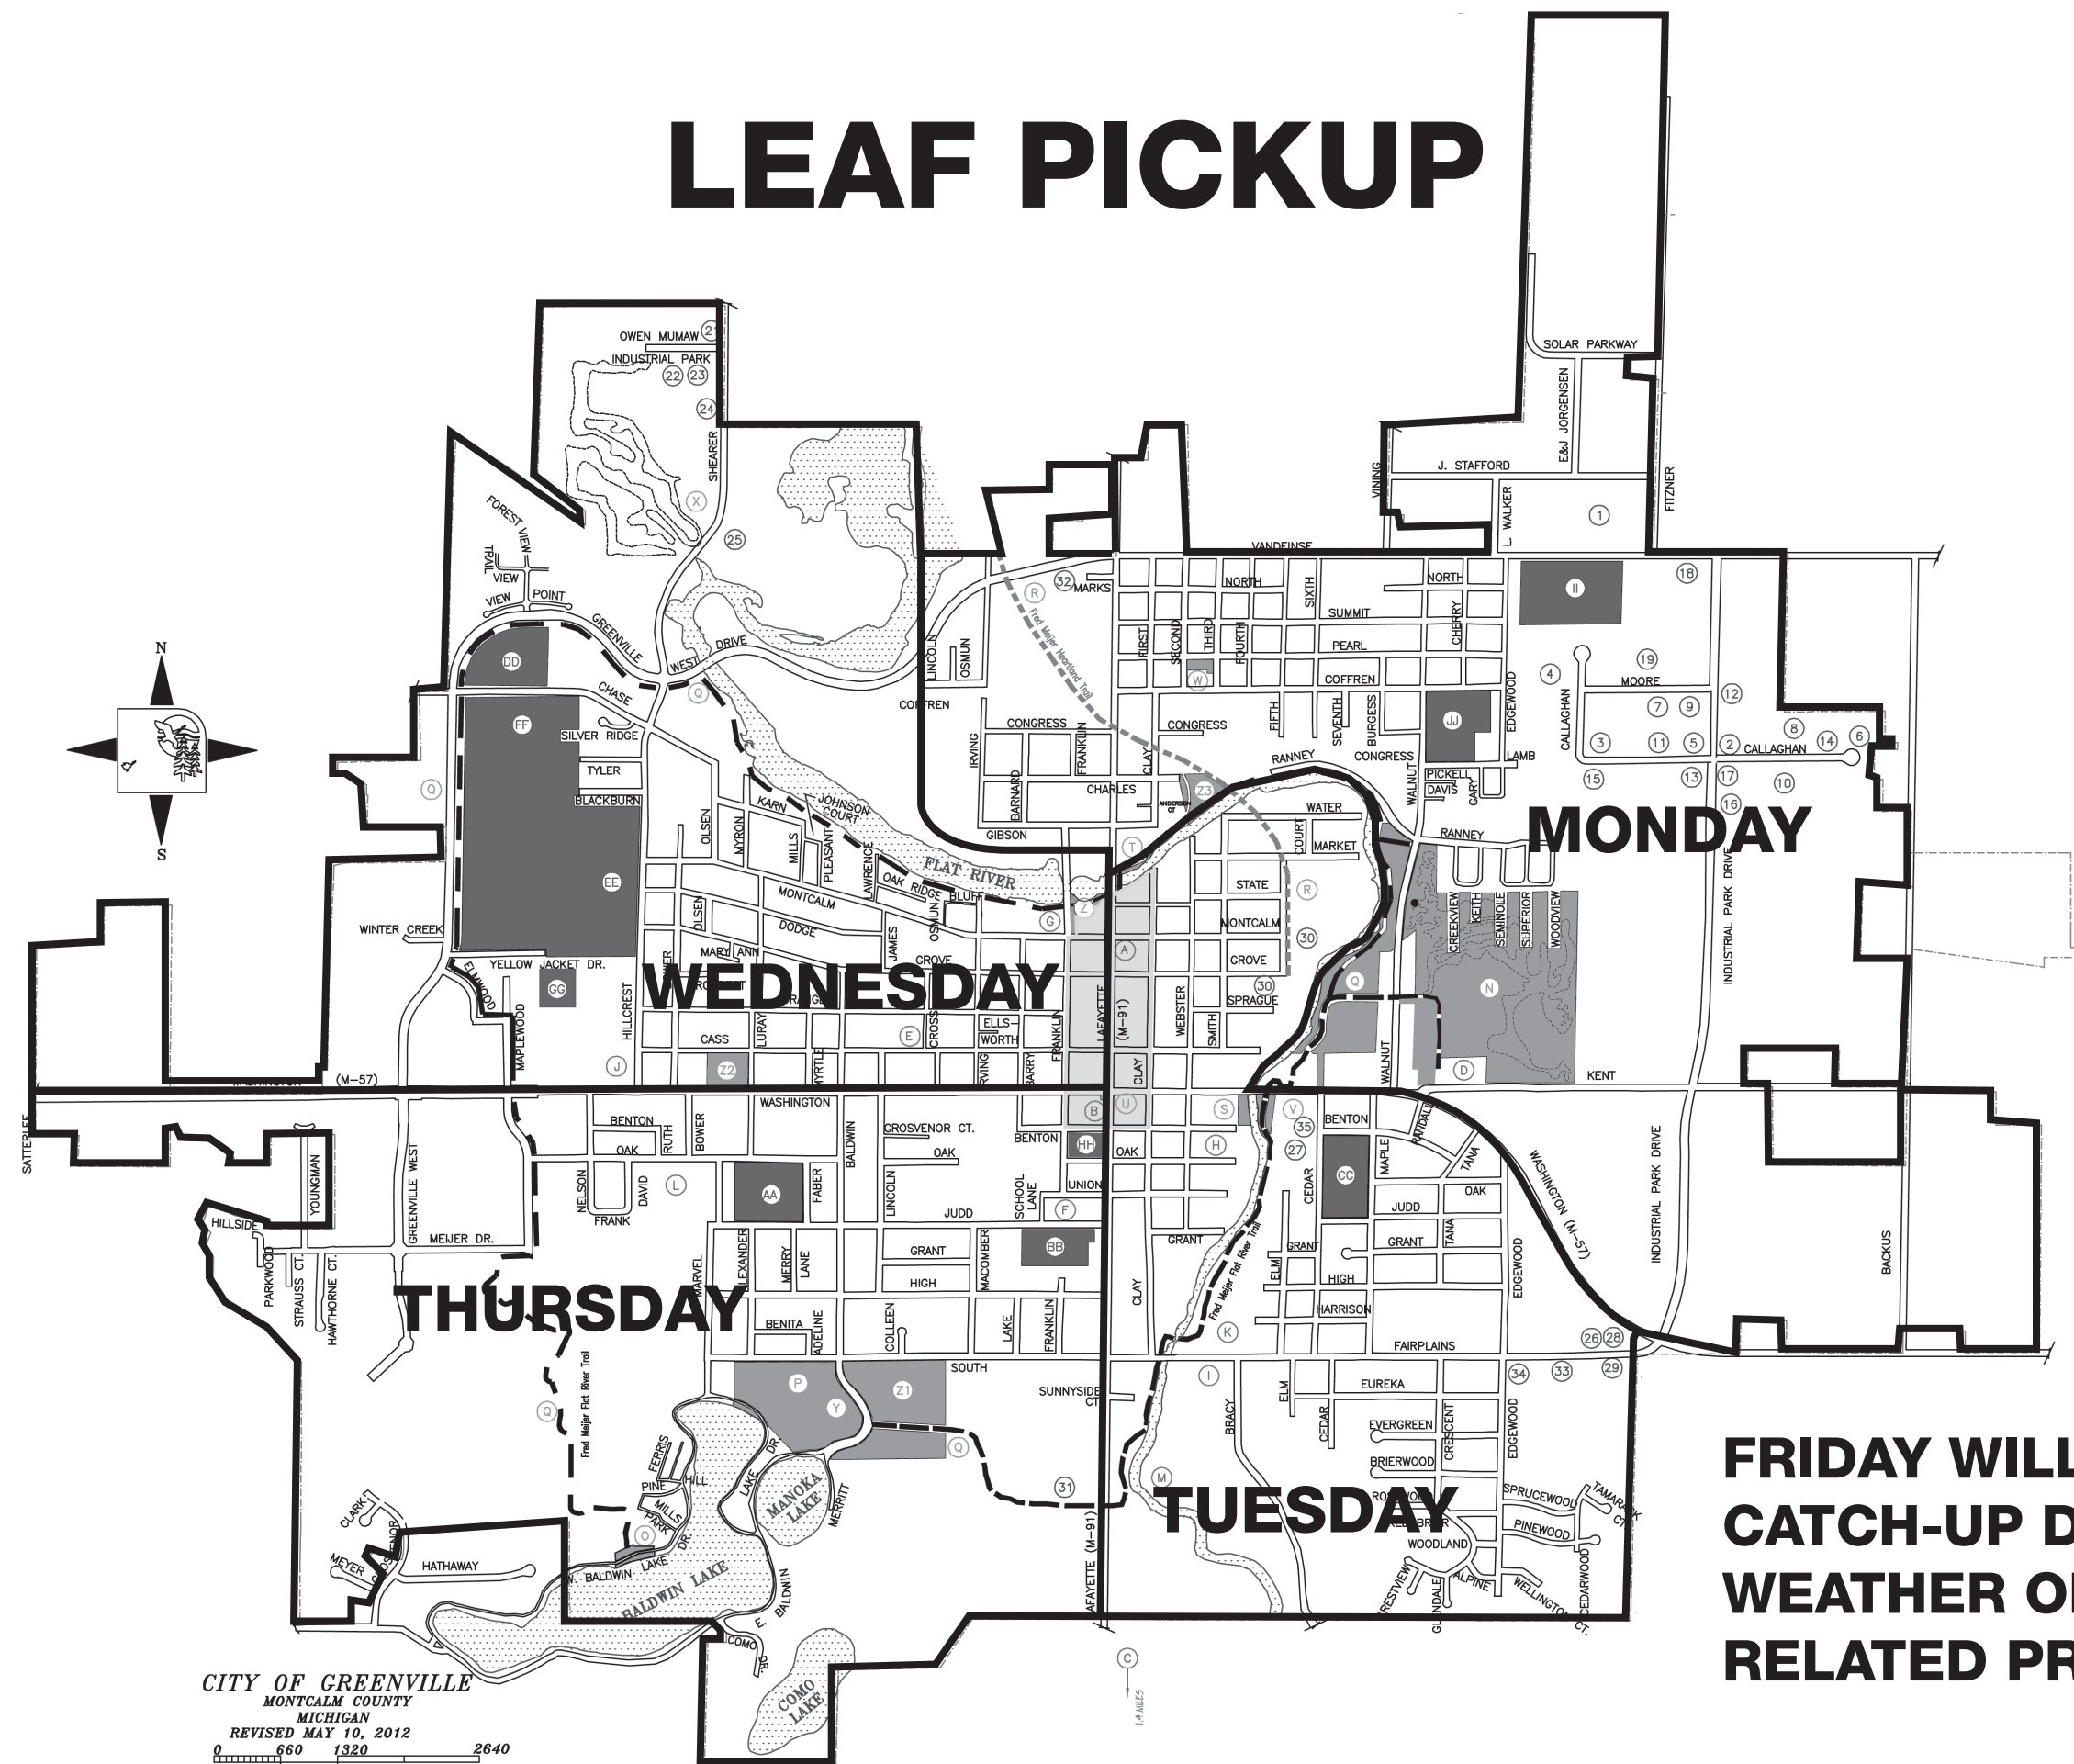

WINTER WEATHER REMINDER:

Please remember that owners or occupants of property within the City of Greenville are required to remove the snow and ice from the sidewalks that border their property, within sixteen (16) hours after a snowfall. If you have any questions, please contact the City of Greenville Code Enforcement at 754-5645.

*** The DEQ has requested that the City make a change in its Consumers Confidence Report. The updated report can be viewed on the City's website at www.greenvillemi.org.

Also, you can request a copy of the report at either City Hall or the Public Services Offices.

LEAF PICKUP

FRIDAY WILL BE A CATCH-UP DAY FOR WEATHER OR EQUIPMENT RELATED PROBLEMS.
