

# Chamber 101—

The Key to getting the most out of your membership.  
Join us for coffee, light breakfast and info!

Wednesday, March 1st

8:30am – 9:30am

Chamber Office—210 S. Lafayette Street

Whether you have recently joined the Chamber, or you have been a lifelong member, we want to ensure you are getting the most out of your membership. We will review all of the tools you need to know in order to better understand the many opportunities that the Chamber provides for your business and how to best position yourself to grow your business and engage with the business community.

Want to engage other key members of your staff? Sign them up! Have new employees who are not familiar with the Chamber? Bring them too! Interested in us visiting your business? We can do that too!

Meet the Chamber staff, learn about volunteer/committee work, and the benefits of membership.
