## ***Tips for Fundraising:***

- It's true: every dollar helps. No donation is too small....all donations will help.
- Aim high! Ask for \$100 and settle for \$50. Gear the amount you're requesting to your specific audience. As long as you are respectful and sincere about your motivation (changing the lives of children, right here, right now, in *your* community) many people gladly give at a level that is comfortable for them. Whether its \$25 or \$100, what's important is that they support Big Brothers Big Sisters.
- Involve family and friends in your awareness and fundraising. Share these tips with them and see if they can ask their own friends and colleagues to support your fundraising effort.
- You can ask in person or via email, voicemail, text, or social media.
- Make your own contribution and let others know that you are donating not only your money, but also your time.
- Ask at your regular meetings. If you belong to a service club or religious social group, request time to ask for support.
- Ask everyone you meet. Carry a collection envelope with you so that when you talk to people about Big Brothers Big Sisters and Bowl for Kids' Sake, you can ask them to contribute right then.
- If they decline the chance to support your agency, thank them sincerely for listening and giving you their input. In many cases, "no" means, "not now."
- All donations are 100% tax deductible. Receipts will be available at the event.
