---	---	--

The following items are required if applicable (marked x) to your project:

- Truss drawings are required to be on site at rough in inspection or on site at final for unconditioned accessory buildings.
- Electrical Permit
- Mechanical Permit
- Plumbing permit
- Final energy report or blower door report before C/O issued
- Truss diagrams before C/O issued

This list is not all inclusive. There may be other items required than listed above.

Note: This permit only covers building trade (electrical, mechanical, plumbing permits are separate).

Note: The following list pertains to Courtland Township permits only:

- *No more than 500 cubic yards may be removed from a parcel without a Special Use Permit per Section D, Chapter 12 of the Courtland Township Zoning Ordinance.
- *Setbacks are not measured from foundation wall but the nearest point of structure (most likely eaves)
- *Any building used to house animals must be at least 50 feet from every lot line (barn/garage)
